CERTIFICATIONS & CREDENTIALS

- CompTIA A+ Certification
- Class 5 Drivers License - Access to a personal, reliable vehicle

WORK EXPERIENCE

Ready Set Grow Daycare: Hybrid IT Support

Sept 2025 - Jul 2026, Vancouver BC

- Efficiently maintain laptops, tablets, and printers by troubleshooting any technical issues encountered, as well as updating software to ensure smooth business operations.
- Ensured that data was protected and backed-up by utilizing cloud storage and external hard drives, alongside 2-factor authorization, thus keeping information safe and private.
- Reliably provided IT support over the phone by communicating clear and calm step-by-step troubleshooting instructions, resolving any technical issues remotely.
- Provisioned and deployed an IoT audio device (Toniebox) by managing application integration and account creation.
- Ensured ease of daily use for new tech and systems by conducting end-user training and developing simple and clear documentation.

Kelowna Home and Property Services: Labourer

Sept 2024 - Aug 2025, Kelowna BC

- Interacted with customers to discuss what they needed through a phone call and in-person inspection to estimate a fair price for customer satisfaction.
- Efficiently worked as a team to complete the job on time by communicating and helping coworkers to ensure a smooth and thorough job.

Safeway: Cashier

May 2024 - Aug 2024, Kelowna BC

- Correctly followed procedures as a cashier, which involved greeting the customers, promoting the store points card, and accurately handling cash and change to minimize company bookkeeping discrepancies.
- Efficiently multitasked throughout the day as I operated the POS system, bagged the scanned items, and listened to customer and coworker inquiries, thus allowing for quick service.

EDUCATION

Langara College

Sept 2025 - Apr 2026, Vancouver BC

- Introductory Web Development (HTML, CSS, JavaScript)
